WORK EXPERIENCE

Infosys Virtual Internship 6.0 - Java Full Stack Developer intern

Campus Lost and Found Portal – Full Stack Project

sep 2025 - nov 2025

- Web app to submit, search, and claim lost/found items on campus.
- Technologies: Spring Boot, MySQL, React.
- Built end-to-end full-stack functionality with secure data handling.

EDUCATION

Aurora PG College

Masters in Computer science (MCA) - 8.48

2023 - 2025

Government degree college for women

Bachelor of Science - 9.57

2020 - 2023

SKILLS

- **Programming Languages:** Java (Core & Advanced)
- **Web Technologies:** HTML5, CSS3, JavaScript, React.js
- **Frameworks & APIs:** Spring Boot, Spring Core, Hibernate, REST APIs..
- **Databases:** MySQL, Oracle (SQL / PL-SQL)
- **Concepts:** Data Structures & Algorithms, Object-Oriented Programming
- **Tools:** Git, GitHub, Maven, Postman, Eclipse, VS Code.
- **Cloud Technologies:** AWS (Basics – EC2, S3, IAM)
- AI-assisted Development & Workflow Automation(

PROJECTS

Criminal Behavior Assessment Mapping and Intrusion Identification Using Pattern Recognition

2024

- Built a crime analysis system using KNN and ANN algorithms for crime prediction and intrusion detection.
- Contributed to design, implementation, and testing to improve accuracy and system reliability.
- Tech Stack: Java, MySQL, Machine Learning (KNN, ANN).

Fraudulent CreditCard Activity Detection Using Adaptive Boosting and Aggregate Voting

2025

- Built a fraud detection system using Adaptive Boosting and Voting to improve accuracy on real-world datasets.
- Tech Stack: Java 8.1, MySQL, SQL, Tomcat, Rational Rose, HTML5, CSS3, JavaScript

Rock Paper Scissors Game

2025

- Developed a browser-based game with DOM manipulation, event handling, and basic game logic.
- Tech Stack: HTML, CSS, JavaScript.

Personal Portfolio Website

2026

- Designed and developed a responsive personal portfolio website to showcase my projects, technical skills, education, and achievements.
- Tech Stack: React.js | HTML5 | CSS3 | JavaScript (ES6) | Git | GitHub

CERTIFICATE

Competitive Programming

- Solved 250+ problems on CodeChef, earned Bronze Problem Solver badge, and scored 80% in Java Skill Test.

AINCAT Certification – Naukri Campus

- Secured All India Rank 3226 in AINCAT, showcasing strong aptitude and analytical skills.

Hacker Rank - java certification

- Achieved 5 (Gold Level) in Java (Basic) certification.

WORKSHOP's

- 07/2024 – IoT & Robotics Workshop, SANSAN Innovations Pvt. Ltd.
- 03/2021 – Science Exhibition on Innovative Thinking, Agastya International Foundation, Begumpet.

AWARD

Gold Medalist – MCA (Topper of the Batch) Aurora Pg College
Awarded for highest academic performance in the MCA program.
